EXPERIENCE

Mar 2022 - Running
ITNovus

● Sr. Flutter Developer

I work on diverse projects, utilizing my expertise to build high-quality cross-platform applications. Collaborating with talented teams, I contribute to the full software development life cycle, staying updated with the latest advancements to ensure user-friendly, performant, and impactful applications.

Oct 2021 - Mar 2022
Techcare Softwares and
Research Center

● UI/UX Designer

I created impactful digital experiences through user research and intuitive interface design. Collaborating with cross-functional teams, I enhanced usability and optimized the user experience. Contributing to the company's mission of creating visually appealing, user-friendly products was truly fulfilling.

June 2021 - Dec 2021
Worckhub

● Frontend Developer

My role revolved around prioritizing user experience in design decisions. I created wireframes, prototypes, and websites to achieve this goal. Throughout my experience, I gained valuable skills in time management and strategic thinking.

Mar 2021 - Oct 2021
Continental Trading
Enterprises Pvt. Ltd.

● Web Developer

My role encompassed designing, coding, and modifying websites, ensuring they aligned with company specifications. I focused on crafting visually captivating sites with user-friendly designs and intuitive navigation.

Mar 2020 - Feb 2021
SojoJob

● Graphic Designer

I honed my creativity and developed a range of skills. Through my designs, I could work wonders and solve problems visually. I excelled in diffusing tense situations and ensuring customer satisfaction. Additionally, I gained expertise in content management, problem-solving, and analysis.

ABOUT ME

I am an innovative, ambitious person with excellent interpersonal and communication skills. I am excellent in working solely or with others, who can achieve effective results to a high standard.
